Minutes of the Academic Council Meeting held on 16.05.2018

Dr. V.Ponuswamy, the Principal and Chairman of the Academic Council welcomed the members and highlighted the contents of the minutes of various Board of Studies meetings conducted.

Agenda-1

On the basis of recommendations given by the Board of Studies in Tamil Dr.N.Shanmgom moved that

- a. there is no change in the existing syllabi of Part - I Tamil courses, III & IV for the students admitted during 2017-2018 onwards and the same be approved.
- b. the revised syllabi of part – I Tamil courses I,II,III and IV of all UG programmes under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.R.Sridhar seconded the motion.

Agenda-2

On the basis of recommendations given by the Board of Studies in English Literature Dr. R. Chandrasekar moved the

- a. there is no change in the existing syllabi and scheme of examinations of Part-II English courses III & IV for the students admitted during 2016-2017 onwards and the same be approved.
- b. the programme educational objectives of B.A English Literature programme for the students admitted during 2018-2019 onwards and the same be approved.

- c. the revised syllabi of Part - II English courses I and II under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- d. the revised scheme of examination and syllabi of semesters I to II of B.A English Literature programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- e. the revised syllabi of Allied – 4 ‘History of English Language and Elements of Phonetics’ and Elective – 1 ‘Comparative Literature: History and Theory’ of semesters III to VI of B.A English Literature programme for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.V. Ramani seconded the motion.

Agenda-3

On the basis of recommendations given by the Board of Studies in Cooperation
Dr. C. Vellaichamy moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Com Cooperation programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. the programme educational objectives and learning outcomes of B.Com Cooperation programme for the students admitted during 2018-2019 onwards and the same be approved.
- c. the revised scheme of examination and syllabi of semesters I & II of B.Com Cooperation programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- d. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Com Cooperative Management programme for the students admitted during 2016-2017 onwards and the same be approved.

Dr.R.Sridhar seconded the motion.

Agenda-4

On the basis of recommendations given by the Board of Studies in Mathematics
Dr. R. Murugesu moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Sc Mathematics programme for the students admitted during 2017-2018 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Sc Mathematics programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. the programme educational objectives and learning outcomes of B.Sc Mathematics programme for the students admitted during 2018-2019 onwards and the same be approved.
- d. the revised scheme of examination and syllabi of semesters I & II of B.Sc Mathematics programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- e. the revised syllabi of Allied Mathematics I & II of B.Sc., Physics and Chemistry programmes under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- f. the revised syllabi of Allied Mathematics I & II of B.Sc (CS), BCA, B.Sc (IT) programmes under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- g. the revised syllabi of Allied Mathematics I & II of B.Com (Coop), B.Com (CA), B.Com programmes under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- h. the revised syllabi of Allied Mathematics I & II of B.Sc Electronics and Communication System programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

- i. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Sc Mathematics programme for the students admitted during 2017-2018 onwards and the same be approved.

Dr.A.Chandramohan seconded the motion.

Agenda-5

On the basis of recommendations given by the Board of Studies in Physics
Dr.J. Chandrasekaran moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Sc Physics programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Sc Physics programme for the students admitted during 2017-2018 onwards and the same be approved.
- c. the programme educational objectives and learning outcomes of B.Sc Physics programme for the students admitted during 2018-2019 onwards and the same be approved.
- d. the revised scheme of examination and syllabi of semesters I to II of B.Sc Physics programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- e. the revised syllabi of Allied Theory Physics I & II and Allied Physics Practical of B.Sc., Mathematics and Chemistry programmes under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- f. there is no change in the existing syllabi and scheme examinations of Semesters I to IV of M.Sc Physics programme for the students admitted during 2017-2018 onwards and the same be approved.

- g. the syllabus of 'Programming in C++ and MATLAB' as one of the elective course in Elective Group-I of M.Sc Physics programme for the students admitted during 2018-2019 onwards and the same be approved.
- h. the syllabus of 'Advance Materials and Characterisation' as one of the elective course in Elective Group-II of M.Sc Physics programme for the students admitted during 2018-2019 onwards and the same be approved.

Dr.C.Vellaichamy seconded the motion.

Agenda-6

On the basis of recommendations given by the Board of Studies in Chemistry Dr. A. Chandramohan moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Sc Chemistry programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. the programme educational objectives and learning outcomes of B.Sc Chemistry programme for the students admitted during 2018-2019 onwards and the same be approved.
- c. the revised scheme of examination and syllabi of semesters I to II of B.Sc Chemistry programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- d. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Sc Chemistry programme, for the students admitted during the academic year 2017-2018 onwards and the same be approved.

Dr.R.Sridhar seconded the motion

Agenda-7

On the basis of recommendations given by the Board of Studies in Electronics Dr. R. Thangavel moved that

- a. there is no change in the existing syllabi and scheme of semesters III to VI of B.Sc Electronics and Communication Systems programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. the programme educational objectives and learning outcomes of B.Sc Electronics and Communication Systems programme for the students admitted during 2018-2019 onwards and the same be approved.
- c. the revised scheme of examination and syllabi of semesters I & II of B.Sc Electronics and Communication Systems programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.Chandramohan seconded the motion

Agenda-8

On the basis of recommendations given by the Board of Studies in Computer Science Dr. A.V. Ramani moved that

- a. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of B.Sc Computer Science programme for the students admitted during the academic year 2016-2017 onwards and the same be approved.
- b. the programme educational objectives and learning outcomes of B.Sc Computer Science programme for the students admitted during 2018-2019 onwards and the same be approved.
- c. the revised scheme of examination and syllabi of semesters I & II of B.Sc Computer Science programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

- d. the syllabi of NME courses i) Web Programming Lab and ii) Mobile Computing Lab for the students admitted during 2018-2019 onwards and the same be approved.
- e. the conduct of Multimedia Lab using GIMP, 2D Pencil and Ink-Scap instead of Photoshop, Flash and Corel draw for the students admitted from the academic year 2016.

Dr.R.Murugasu seconded the motion

Agenda-9

On the basis of recommendations given by the Board of Studies in Social Work
Dr. K. Thirumalaisamy moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters III & IV of MSW programme for the students admitted during 2017-2018 onwards and the same be approved.
- b. the revised scheme of examination and syllabi of semesters I to IV of MSW programme for the students admitted during 2018-2019 onwards and the same be approved.
- c. the list of examiners and the same be approved

Dr.C.Vellaichamy seconded the motion

Agenda-10

On the basis of recommendations given by the Board of Studies in Computer Applications
Dr. R. Sridhar moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of BCA programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of BCA programme for the students admitted during the academic year 2017-2018 onwards and the same be approved.

- c. the programme educational objectives and learning outcomes of BCA programme for the students admitted during 2018-2019 onwards and the same be approved.
- d. the revised scheme of examination and syllabi of semesters I & II of BCA programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- e. the syllabi of NME courses i) Information Security and ii) Data Science and Big Data Analytics Lab for the students admitted during 2018-2019 onwards and the same be approved.
- f. the revised scheme of examination and syllabi of PGDCA programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- g. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of MCA programme for the students admitted during the academic year 2016-2017 onwards and the same be approved.
- h. there is no change in the existing syllabi and scheme of examinations of Semesters I to VI of MCA programme for the students admitted during the academic year 2017-2018 onwards and the same be approved.

Dr.C.R.Sackthivel seconded the motion

Agenda-11

On the basis of recommendations given by the Board of Studies in Commerce

Dr. A. Balagurusamy moved that

- a. there is no change in the existing syllabi and scheme of Semesters V & VI except core course -18 'Indirect Taxation' of B.Com programme for the students admitted during 2016-2017 onwards and the same be approved.

- b. the revised syllabus of core course -18 'Indirect Taxation' of B.Com programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. the restructured scheme of examination and syllabi of semesters III to VI of B.Com programme for the students admitted during 2017-2018 onwards and the same be approved.
- d. the programme educational objectives and learning outcomes of B.Com programme for the students admitted during 2018-2019 onwards and the same be approved.
- e. the revised scheme of examination and syllabi of semesters I & II of B.Com programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.R.Sridhar seconded the motion

Agenda-12

On the basis of recommendations given by the Board of Studies in Commerce (CA)
Sri.T.Saravanan moved that

- a. there is no change in the existing syllabi and scheme of Semesters III to VI except core course 15 'E-Commerce' is replaced with new course 'Indirect tax' of B.Com (CA) programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. the new syllabus of core course 15 'Indirect tax' of B.Com (CA) programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. the programme educational objectives and learning outcomes of B.Com (CA) programme for the students admitted during 2018-2019 onwards and the same be approved.

- d. the revised scheme of examination and syllabi of semesters I & II of B.Com (CA) programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.
- e. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Com(PA) programme for the students admitted during 2017-2018 onwards and the same be approved.
- f. the programme educational objectives and learning outcomes of B.Com (PA) programme for the students admitted during 2018-2019 onwards and the same be approved.
- g. the revised scheme of examination and syllabi of semesters I & II of B.Com (PA) programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.Balagurusamy seconded the motion

Agenda-13

On the basis of recommendations given by the Board of Studies in Information Technology
Dr. C.R. Sakthivel moved that

- a. there is no change in the existing syllabi and scheme of examinations of Semesters V & VI of B.Sc Information Technology programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of B.Sc Information Technology programme for the students admitted during 2017-2018 onwards and the same be approved.
- c. the programme educational objectives and learning outcomes of B.Sc Information Technology programme for the students admitted during 2018-2019 onwards and the same be approved.

- d. the revised scheme of examination and syllabi of semesters I & II of B.Sc Information Technology programme under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.R. Sridhar Seconded the motion

Agenda-14

On the basis of recommendations given by the Board of Studies in B.Voc programmes Dr.V.Pounswamy moved that

- a. the revised syllabi and scheme of examinations of General Education component of B.Voc programmes 1.Automobiles, 2.Production Technology (Tool & Die) and 3.Technology in Electrical and Electronic Devices for the students admitted during 2018-2019 onwards and the same be approved.
- b. the revised syllabi and scheme of examinations of Semesters I to VI of B.Voc programme in Automobiles for the students admitted during 2018-2019 onwards and the same be approved.
- c. the revised syllabi and scheme of examinations of Semesters I to VI of B.Voc programme in Production Technology (Tool & Die) for the students admitted during 2018-2019 onwards and the same be approved.
- d. the revised syllabi and scheme of examinations of Semesters I to VI of B.Voc programme in Technology in Electrical and Electronic Devices for the students admitted during 2018-2019 onwards and the same be approved.

Dr.R.Murugasu Seconded the motion

Agenda-15

On the basis of recommendations given by the Board of Studies in Part-IV Value education and Environmental Studies Dr.V.Pounswamy moved that

- a. the revised syllabi of Value education and Environmental Studies under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.Chandramohan Seconded the motion

Agenda-16

On the basis of recommendations given by the Board of Studies in Part-V Co-curricular activities (NCC, NSS and Sports) Dr.V.Pounswamy moved that

- a. the revised syllabi of Co-curricular activities (NCC, NSS and Sports) under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.Chandramohan Seconded the motion

Agenda-17

On the basis of recommendations given by the Board of Studies of Extra Credit Elective Courses Dr.V.Pounswamy moved that

- a. the revised syllabi of Extra Credit Elective Courses under outcome based education system for the students admitted during 2018-2019 onwards and the same be approved.

Dr.A.Chandramohan Seconded the motion

Discussions

1. Sri.R.Somasundaram asked about the concept of the Outcome Based Education and its necessity.

Dr.R.Thangavel explained the concept of Outcome Based Education and its necessity.

2. Dr.R.Sathishkumar recommended the inclusion of Mapping Schemes in Outcome Based Educations.

Dr.R.Thangavel replied it will be included in phased manner.

3. Dr.R.Sathishkumar asked why Outcome Based Educations system is not implemented for B.Voc Programmes

Dr.R.Sridhar replied that the programme structure does not allow the Out Come Based Education System right now.

4. Dr.R.Thangavel moved that, a change is required in the question paper pattern for UG programme one of the questions may be a problem or application oriented one in the Part-B.

Academic council suggested the same may be implemented with the approval of the Examination committee.

5. Dr.R.Thangavel moved that, the assignment component of CIA part for UG programme may be included the following items apart from the regular submission of written assignment:
 - a. PPT presentation
 - b. Video lesson
 - c. Seminar

The Academic council accepted and recommended it for the implementation for all UG students from the academic year 2018-2019 and onwards.

Suggestions

- ❖ Sri.R.Somasundaram suggested that page numbers may be included along with the Appendix number in the Agenda.
- ❖ Dr.R.Sathishkumar suggested the adaptation of the Blooms Taxonomy methodology for question papers setting as an Extension of Outcome Based Education System.
- ❖ Dr.R.Sathishkumar also suggested that to introduce one online course for PG programmes in the regular stream.

Agenda-18

The member secretary of the Academic Council, Dr.R.Thangavel moved the Action Taken Report of the previous meeting of the Academic council and the same be approved.

Finally Dr. R.Thangavel, Member Secretary proposed the vote of thanks to all the members attended the meeting.

**Chairman
Academic Council**

**SRI RAMAKRISHNA MISSION VIDYALAYA COLLEGE OF ARTS AND SCIENCE
(AUTONOMOUS) COIMBATORE – 641 020**

(An Autonomous College Affiliated to Bharathiar University)

Minutes of the Academic Council Meeting held on 30.03.2017

Dr. C. Jayabalakrishnan., the Principal and Chairman of the Academic Council welcomed the members, introduced the new members to the Academic Council and highlighted the contents of the minutes of the various Board of Studies of our college.

Agenda-1

On the basis of recommendations given by board of studies in Tamil Dr. C.Viswanathan moved that

- a. the revised syllabi of Part - I Tamil courses I, II, III & IV for the students admitted during 2017-2018 onwards and the same be approved.
- b. there is no change in the existing syllabi of Part - I Tamil courses III & IV and Part IV Basic Tamil courses I and II for the students admitted during 2016-2017 onwards and the same be approved.

Dr.R.Sridhar seconded the motion.

Agenda-2

On the basis of recommendations given by board of studies in English Literature

Dr. R. Chandrasekar moved that

- a. there is no change in the existing syllabi and scheme of examinations of Part - II English courses I, II, III and IV for the students admitted during 2016-2017 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters 1 to VI of B.A English Literature programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.A English Literature programme for the students admitted during 2015-2016 onwards and the same be approved.

- d. there is no change in the existing syllabi and scheme of examinations of NME courses offered to III & IV semesters for the students of B.Com CA/ B.Sc IT admitted during 2016-2017 onwards and the same be approved.
 - e. there is no change in the existing syllabi and scheme of examinations of Certificate Course in Communicative English for the students admitted during 2014-2015 onwards and the same be approved.
- Dr. C. Vellaichamy seconded the motion

Agenda-3

On the basis of recommendations given by board of studies in Cooperation

Dr. C. Vellaichamy moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Com Cooperation programme for the students admitted during 2015-2016 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters I to VI of B.Com Cooperation programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Com Cooperative Management programme for the students admitted during 2016-2017 onwards and the same be approved.

Dr. R. Murugesu seconded the motion.

Agenda-4

On the basis of recommendations given by board of Studies in Mathematics Dr. R. Murugesu moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters I to VI of B.Sc Mathematics programme except Core 8 :Numerical Methods and Core 10: Real Analysis I for the students admitted during 2017-2018 onwards and the same be approved.
- b. the revised syllabi of Core 8 :Numerical Methods and Core 10: Real Analysis I for the students of B.Sc Mathematics admitted during 2017-2018 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Sc Mathematics programme for the students admitted during 2016-2017 onwards and the same be approved.
- d. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Sc Mathematics programme except core 1 Algebra , core 3: Ordinary Differential Equations, core 4 Mathematical Statistics, core 7 Mechanics core 12 Mathematical software -3 MATLAB and core 14 Mathematical Methods for the students admitted during 2017-2018 onwards and the same be approved.
- e. the revised syllabi of core 1 Algebra , core 3: Ordinary Differential Equations, core 4 Mathematical Statistics, core 7 Mechanics core 12 Mathematical software -3 MATLAB, core 14 Mathematical Methods and an elective course Graph Theory for the students of M.Sc Mathematics admitted during 2017-2018 onwards and the same be approved.

- f. there is no change in the existing syllabi and scheme of examinations of semesters III & IV of M.Sc Mathematics programme for the students admitted during 2016-2017 onwards and the same be approved.
- g. the syllabi of extra credit Courses Latex and Mathematics for Competitive Exams of M.Sc Mathematics programme for the students admitted during 2017-2018 onwards and the same be approved

Dr. R. Sridhar seconded the motion.

Agenda-5

On the basis of recommendations given by board of Studies in Physics
Dr. M.Sethuraman moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Sc Physics programme for the students admitted during 2015-2016 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of B.Sc Physics programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of semesters I to VI of B.Sc Physics programme except core - 2 Electricity and Magnetism, core -3 Electronics, Elective course Alternative energy resources and Core Practical - II of B.Sc Physics programme for the students admitted during 2017-2018 onwards and the same be approved
- d. the revised syllabi of core - 2 Electricity and Magnetism, core -3 Electronics, Elective course Alternative energy resources and Core Practical - II of B.Sc Physics programme for the students admitted during the academic year 2017-2018 onwards and the same be approved.

- e. there is no change in the existing syllabi and scheme of examinations of Semesters III & IV of M.Sc Physics programme for the students admitted during 2016-2017 onwards and the same be approved.
- f. the revised scheme of examinations of Semesters I to IV of M.Sc Physics programme for the students admitted during 2017-2018 onwards and the same be approved.
- g. the new syllabi of Extra Credit courses on Physics for Competitive Examinations-I and Physics for Competitive Examinations-II of M.Sc Physics programme for the students admitted during the academic year 2016-2017 onwards and the same be approved.

Dr. R. Sridhar seconded the motion.

- ❖ Dr. R.Sathishkumar asks about the content and usefulness of extra credit courses on Physics for Competitive Examinations, Dr. M.Sethuraman explained about it.

Agenda-6

On the basis of recommendations given by board of Studies in Chemistry Dr. J.Ravichandran moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Sc Chemistry programme for the students admitted during 2015-2016 onwards and the same be approved.
- b. there is no change in the existing syllabi and scheme of examinations of semesters I to VI of B.Sc Chemistry programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of semesters III & IV of M.Sc Chemistry programme for the students admitted during 2016-2017 onwards and the same be approved.

- d. the revised scheme of examinations of semesters I to IV of M.Sc Chemistry programme, there is no change in the existing syllabi and scheme of examinations of semesters I to IV of M.Sc Chemistry programme except elective courses, 1) 'Nanoscience and Green Chemistry', 2) Medicinal Chemistry for the students admitted during the academic year 2017-2018 onwards and the same be approved.
- e. the revised syllabi of the elective courses 'Nanoscience and Green Chemistry' and Medicinal Chemistry for the students admitted during the academic year 2017-2018 onwards and the same be approved.

Dr. R. Murugesu seconded the motion.

Agenda-7

On the basis of recommendations given by board of Studies in Electronics
Dr. R. Thangavel moved that

- a. the revised scheme examinations of semesters I to VI of B.Sc Electronics and Communication Systems programme with inclusion of a self study course Basics and practical aspects of electronics with on online examination in for the students admitted during 2015-2016 onwards and the same be approved.

Dr. R. Sridhar seconded the motion.

Agenda-8

On the basis of recommendations given by board of Studies in Computer Science
Dr. A.V. Ramani moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Sc Computer Science programme for the students admitted during 2015-2016 onwards and the same be approved.

- b. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of B.Sc Computer Science programme for the students admitted during the academic year 2016-2017 onwards and the same be approved.
- c. the revised syllabi and scheme of examinations of Semesters I to VI of B.Sc Computer Science programme for the students admitted during the academic year 2017-2018 onwards and the same be approved.

Dr. R. Sridhar seconded the motion.

Agenda-9

On the basis of recommendations given by board of Studies in Social Work
Dr. K. Nagaraju moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters I to IV of MSW programme for the students admitted during 2016-2017 onwards and the same be approved.
- b. the ratification for Rural/Tribal Camp , Field Work Placement of MSW programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. the syllabi of a certificate course on Statistical Package for Social Sciences (SPSS) of MSW programme for the students admitted during 2017-2018 onwards and the same be approved.

Dr. R. Murugesu seconded the motion.

Agenda-10

On the basis of recommendations given by board of Studies in Computer Applications
Dr. R. Sridhar moves that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of BCA programme for the students admitted during 2015-2016 onwards and the same be approved.

- b. there is no change in the existing syllabi and scheme of examinations of semesters III to VI of BCA programme for the students admitted during 2016-2017 onwards and the same be approved.
- c. there is no change in the existing syllabi and scheme of examinations of Semesters I to VI, except Core 11 -Multimedia (Gimp, 2D Pencil&Inkscape) and Core Practical 9: Multimedia (Gimp, 2D Pencil&Inkscape) Lab of BCA programme for the students admitted during the academic year 2017-2018 onwards and the same be approved
- d. the revised syllabi of Core 11 -Multimedia (Gimp, 2D Pencil&Inkscape) and Core Practical 9: Multimedia (Gimp, 2D Pencil&Inkscape) Lab of BCA programme for the students admitted during the academic year 2017-2018 onwards and the same be approved
- e. the syllabi of extra credit courses IT Essentials, 'CCNA 1 and CCNA 2', IoT(Module – I & Module - II) and 'Data Science and Big Data Analytics' of BCA, B.Sc IT &B.Sc CS programme for the students admitted during 2015-2016 onwards and the same be approved.
- f. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of MCA programme for the students admitted during 2014-2015 onwards and the same be approved.
- g. there is no change in the existing syllabi and scheme of examinations of Semesters III to VI of MCA programme for the students admitted during the academic year 2016-2017 onwards and the same be approved.
- h. the revised syllabi and scheme of examinations of Semesters I to VI of MCA programme for the students admitted during the academic year 2017-2018 onwards and the same be approved.

Sri. A. Balagurusamy seconded the motion.

Agenda-11

On the basis of recommendations given by board of Studies in Commerce Sri. A. Balagurusamy moved that

- a. there is no change in the existing syllabi and scheme of examinations of semesters V & VI of B.Com programme for the students admitted during 2015-2016 onwards and the same be approved.
